

KNOX COUNTY SCHOOLS
REFUSAL OF ACCESS TO ELECTRONIC MEDIA

The Knox County Schools uses various forms of electronic media for instructional purposes and makes electronic media accessible to students to assist them in their academic pursuits. To govern the use of these important instructional assets students and staff are expected to adhere to the Knox County Schools' Guidelines for Acceptable Use of Electronic Media.

I have read the terms of Knox County Schools' Guidelines for Acceptable Use of Electronic Media. I understand that this access is designed for educational purposes.

As the parent or guardian of the below identified student, I hereby **WITHHOLD PERMISSION** to access electronic media except for directly supervised educational and assessment activities.

Student Name (please print) _____

Parent/Guardian Signature _____ Date _____
