

SOUTH-DOYLE HIGH SCHOOL

Academies & Pathway Choices

Freshman Academy

Freshman Academy is the **first step** in the 865 Academies initiative. It aims to create a **close-knit community** for students to **ease the transition** from middle to high school and **prepare them** for advanced classes, industry certifications, and college courses.

Students will be introduced to **local industries**, participate in **college & career fairs**, and complete **career exploration** activities. These experiences combined with the Freshman Seminar assessment help students identify their skills, abilities, and interests and guide the academy and pathway decisions they'll follow through graduation.

Academy of Business and Health Science
