SYNTHETIC TURF MANAGEMENT

Updated: April 2017

To preserve the quality of the turf and provide a clean and healthy environment, the following are not allowed on synthetic turf fields:

- Baseball, softball, or track spikes are not permitted.
- All footwear must be clean and free of dirt, mud, and other debris.
- No chewing gum or tobacco products are allowed on the field.
- No equipment may be secured to the turf or ground with a spike or a clamp that penetrates the turf or the fabric.
- Tape, Paint, or other marking materials may not be used on the turf.
- No vehicles are permitted on the turf.
- No fireworks or ignited batons may be used in band performances. Questions regarding similar items should be referred to the Athletics Specialist / Director.
- Water is permissible; however, Gatorade and other colored drinks are not.
- Food is not allowed. This includes nuts, candy, sunflower seeds, and any other food items.
- No pets of any kind.
- No glass bottles or glass containers of any kind.
- No playing golf.
- No folding chairs or any other type of outdoor furniture.
- No heaters of any kind allowed on the field without proper matting approved by the Athletic Department.
